Subject: Present owners of Red and Bonita

EPA's PRP search indicates that there are 5 patented mining claims that make up the Red and Bonita mine.

The present owners of 3 of the 5 claims that make up the Red and Bonita Mine are David and Stephanie Hendrick. Those 3 claims are the American Eagle, Belcher, and Letter B.

Then 1 of the claims is owned by San Juan Corp., the Hoffman claim, and the last one is owned by the Thomas J. & Jean L. Merson Revocable Trust, the American Eagle Millsite.

I don't know if you need all of this information, but just in case, here it is.

Let me know if you have any questions.

Thanks
